### Hotel Eden Roc

#### A little piece of paradise with a Mediterranean charm

The Eden Roc Ascona is a true small gem with unique Mediterranean charm. The five-star resort stands out for its spaciousness and unrivalled lakeside view. In addition to its 37 suites and 58 rooms the hotel offers since April 2010 a 2000 sqm spa. The inspiration for the design of the luxurious wellbeing area, with water world, sauna and seven new treatment rooms plus hairdressing salon was provided by the natural beauties of Ticino – more precisely, seven local flower species and the many colours of the lake, ranging from silver gray to sky blue. Furthermore, the hotel added in 2010 the annex "Eden Roc Marina" with 16 rooms, a new, casual restaurant and an unrivalled range of water sport activities.
